RETENTION PROCEDURES

Leaseweb NL will store your Personal Data as long as necessary to perform the purposes of processing as stated in this Privacy Statement.

LEGAL GROUNDS

To process your Personal Data as described above, we rely on the following legal bases:

- **Performance of a contract:** the use of your information may be necessary to perform the contract that you have with us. For example, if you use our services, we will use your information to carry out our obligation to complete and administer that service under the contract that we have with you.
- **Legitimate interests:** the processing is necessary for the purposes of the legitimate interests pursued by us, for example, information security. We also endeavour to provide you with the best suitable content through our website, emails and newsletters, to improve and promote our products and services, and to enhance our administrative functions, fraud detection and legal purposes and for sales and marketing processes with affiliates including Leaseweb Global.
- **Consent:** For marketing advertisement (excluding operational communication as part of the services), you are free to withdraw your consent at any time.

CONSENT TO RECEIVE DIRECT MARKETING EMAILS AND WITHDRAWAL OF CONSENT

You are free to decide whether or not to share certain Personal Data (if any) with us for direct marketing purposes. However, if you decide not to provide certain Personal Data, or if you withdraw your consent thereto at a later moment, this may have affect how you experience our marketing for similar services. You are entitled to withdraw your consent by sending an email to the privacy email address listed below, or from direct marketing communication by opting-out from such communications. Upon receipt of your opt-out request, we will opt you out from the direct marketing list.

ACCESS CONTROL BY DATA CENTERS

Providers of data centers in the Netherlands are not part of the Leaseweb group. Some data centers may require you to use a personalized ID badge, other data centers may require you to use a biometric access control system to gain unescorted access to the data center. In order to process these special categories of Personal Data, data centers rely on the following legal ground:

- **Security and authentication:** the processing of your biometric personal data by data centers is necessary for the purposes of authentication and security. This processing of your biometric data by data centers is allowed, in accordance with Art. 6 (1) and Art. 9 (1) and (2) GDPR and with article 29 of the Dutch GDPR Implementation Act ("Uitvoeringswet AVG").

Customer is aware that a data center is responsible for the physical access and control of its premises as a Data Controller. Each data center is solely responsible for determining and executing its access control policies as indicated in their House Rules, including the processing of such biometric data for its access control system.

TECHNICAL AND ORGANISATIONAL SECURITY PROCEDURES AND DATA TRANSFERS

In accordance with international data protection laws, in particular the GDPR, we observe adequate procedures to prevent unauthorized access to, and the misuse of, Personal Data. Leaseweb NL uses appropriate business systems and security procedures to protect and safeguard the Personal Data. For example, network segmentation, next generation firewalls, anti-virus software, full disk encryption of end-points, encrypted communication via SSL or VPN, Security Information and Event Management solutions, security awareness training, secure disposal facilities, periodic pentesting of public facing services, secure development training, segregation of role-based access permissions (based on least-privilege), integrated security monitoring during development, and tools to enable employees to work securely (such as password managers).

Additionally, Leaseweb NL applies technical and physical restrictions to any access and use of the Personal Data on our servers. For example, only authorized personnel are permitted to access Personal Data in the course of their work. Our business processes apply a series of security services consistent with the industry security standards, including ISO 27001, SOC 1, PCI DSS, and NEN 7510. See [www.https://www.leaseweb.com/security-certifications](https://www.leaseweb.com/security-certifications) for more information.

LEASEWEB NL IN ITS ROLE AS UNMANAGED IAAS CLOUD PROVIDER (UNLESS EXPLICITLY PROVIDED OTHERWISE) (DATA PROCESSOR)

Any possible Customer Personal Data that is hosted, transmitted or processed on equipment you own (Co-location) or any possible Customer Personal Data hosted, transmitted or processed by Leaseweb NL in the delivery of the services on your behalf, is governed by this paragraph for Leaseweb as

Data Processor, and any actions performed by Leaseweb NL in relation to such Personal Data shall be solely governed by the Sales Contract concluded between Leaseweb NL and its customer.

The customer of Leaseweb NL that owns the equipment (Co-location) or uses Leaseweb NL services, determines the purposes and means of the processing of Personal Data and therefore is to be considered the Data Controller in regards to such processing whereby Leaseweb NL has no logical access to such Personal Data.

DATA RESIDENCY

The data hosted on your own infrastructure or on Leaseweb's infrastructure is located in the Netherlands. No data is transferred outside of the EU.

EU DATA SOVEREIGNTY

The Personal Data processed or stored by Leaseweb NL is subject to the laws and regulations of the Netherlands and of the EU.

Leaseweb NL thereby benefits on its own behalf from its EU based ultimate ownership, management and control including cybersecurity matters.

Thereby Leaseweb NL adheres to EU Data Sovereignty, and advocates for its Protection of European Data against Unlawful Access and its Immunity for Non EU law ("PUA").

In our role as a Data Processor, Leaseweb NL can provide to its customers a Data Processing Agreement (DPA) as required under the GDPR. If you as EU customer or supplier specifically require a Data Processing Agreement with Leaseweb NL, please contact us using the contact details below.

DATA PROTECTION OFFICER (DPO)

Our Data Protection Officer ("DPO") registered with the Autoriteit Persoonsgegevens under number FG008004, is positioned at our global headquarters in Amsterdam, The Netherlands. This office serves as our international center of expertise for international data protection laws compliance, in particular GDPR compliance, effectively centralizing our connection with the Dutch supervisory authority as the permitted one-stop shop facility for the DPO. The DPO can be reached at: privacy@nl.leaseweb.com.

YOUR RIGHTS

In accordance with data protection laws, you have a number of rights regarding your Personal Data and the processing thereof:

- You can view and, if necessary, change your Personal Data in your Customer Portal account at any time in case duly required.
- You can request the Personal Data processed of you.
- You also have the right to request the erasure of your Personal Data after the termination of the Sales Contract ("Right to be Forgotten") in case and to the extent duly required and permitted.
- In addition, you may, under certain circumstances, have the right to restrict the processing of your Personal Data in case and to the extent duly required and permitted.
- You have the right to object, on grounds relating to your particular situation, at any time to processing of your Personal Data.
- You have a right to object against the processing of your Personal Data for direct marketing purposes (e.g., per electronic message, per phone or postable mail) by making use of the opt-out button in communications emails and/or rejected the opt-in.
- You have the right to receive your Personal Data, which you have provided to us, in a structured, commonly used and machine-readable format and have the right to transmit those data to another controller when the processing is based on your consent or is necessary for the performance of a contract (personal data portability).

If you have any requests regarding the abovementioned, please contact us using the privacy email address and contact details below. If we do not grant your request, we will inform you about the reason why.

RIGHT TO LODGE A COMPLAINT WITH YOUR LOCAL SUPERVISORY AUTHORITY

You have a right to lodge a complaint with the local supervisory authority if you have concerns about how we are processing your Personal Data. We ask that you please attempt to resolve any issues with us first, although you have a right to contact your supervisory authority at any time. In the Netherlands, the competent authority for Leaseweb NL is: Autoriteit Persoonsgegevens, located at Hoge Nieuwstraat 8, 2514 EL The Hague, The Netherlands, <https://www.autoriteitpersoonsgegevens.nl/>.

STATEMENT CHANGES

Leaseweb NL may modify or amend this Privacy Statement from time to time as our business practices and legal requirements evolve. If this Privacy Statement is modified, Leaseweb NL will provide notice of the change by posting the updated Privacy Statement on the Leaseweb website www.leaseweb.com. Leaseweb NL advises you to check this page regularly to see if any changes have been implemented.
